### Message from the Principal

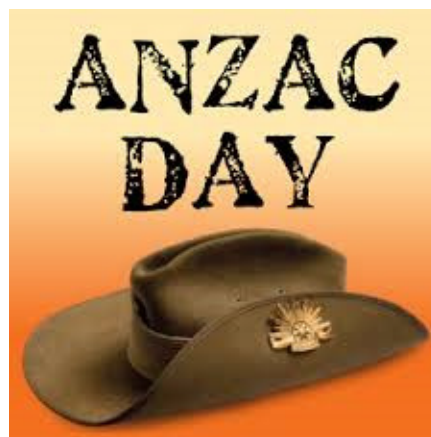

#### Term One Break

As this will be the final newsletter of the term, I wish all students and families a relaxing and enjoyable Term One break and a happy and relaxing Easter. As Monday, 20 April is a gazetted School Development Day, students will not return to school until **Tuesday, 21 April**.

### ANZAC Day Service- Friday, 24 April

ANZAC Day is a very special day on the Australian calendar. However, in the lead up to the 100th anniversary of the Gallipoli landings this year, the significance of the day is further highlighted.

As a nation, we pause to remember all Australians who served and died in all wars, conflicts, and peacekeeping operations. The spirit of ANZAC, with its human qualities of courage, mateship, and sacrifice, continues to have meaning and relevance for our sense of national identity.

## SPONSORS

As part of the 2014 Canberra Tour, our travelling group had the opportunity to visit the National War Memorial in Canberra just prior to our flight out from Canberra. It is a place of great reverence, and it was in my opinion, the highlight of the tour.

With ANZAC Day falling on the Saturday of the first week of term, the school has elected to have its ANZAC Day service on Friday, 24 April commencing at 2.30pm in the Undercover Area. The Student Councillors will host the service on behalf of the school community. It is anticipated that the commemoration will last for approximately 30 minutes.

All students are expected to wear full school uniform on the day, with the exception of scouts, guides or cubs who are encouraged to wear their group uniform. Any students who have medals or other service decorations at home that have been passed down to them are encouraged to wear them on the right hand side of their uniform on the day. Furthermore, students are encouraged to bring in flowers to place at the base of the flagpole during the service itself.

We hope to see as many families present at our ANZAC Day service as possible.

## Pre-primary playgrounds before school

I would like to remind all parents/carers, but especially those in Pre-primary, that if you and your child(ren) arrive before 8.30am there is an expectation that you make your way to the central courtyard area where all primary students and families sit, rather than wait outside the Pre-primary classrooms. Furthermore, as is the case with the main school playground, all playground equipment in the Pre-primary enclosure is 'out-of-bounds' in the morning. Please do not go into the playground area before this time or even better, arrive at school after 8.30am when the classroom doors are opened. I appreciate your support on this matter.

**ANZAC Day Service- Friday, 24 April**

ANZAC Day is a very special day on the Australian calendar. However, in the lead up to the 100th anniversary of the Gallipoli landings this year, the significance of the day is further highlighted.

As a nation, we pause to remember all Australians who served and died in all wars, conflicts, and peacekeeping operations. The spirit of ANZAC, with its human qualities of courage, mateship, and sacrifice, continues to have meaning and relevance for our sense of national identity.

#### SPONSORS

As part of the 2014 Canberra Tour, our travelling group had the opportunity to visit the National War Memorial in Canberra just prior to our flight out from Canberra. It is a place of great reverence, and it was in my opinion, the highlight of the tour.

With ANZAC Day falling on the Saturday of the first week of term, the school has elected to have its ANZAC Day service on Friday, 24 April commencing at 2.30pm in the Undercover Area. The Student Councillors will host the service on behalf of the school community. It is anticipated that the commemoration will last for approximately 30 minutes.

All students are expected to wear full school uniform on the day, with the exception of scouts, guides or cubs who are encouraged to wear their group uniform. Any students who have medals or other service decorations at home that have been passed down to them are encouraged to wear them on the right hand side of their uniform on the day. Furthermore, students are encouraged to bring in flowers to place at the base of the flagpole during the service itself.

We hope to see as many families present at our ANZAC Day service as possible.

### Pre-primary playgrounds before school

I would like to remind all parents/carers, but especially those in Pre-primary, that if you and your child(ren) arrive before 8.30am there is an expectation that you make your way to the central courtyard area where all primary students and families sit, rather than wait outside the Pre-primary classrooms. Furthermore, as is the case with the main school playground, all playground equipment in the Pre-primary enclosure is 'out-of-bounds' in the morning. Please do not go into the playground area before this time or even better, arrive at school after 8.30am when the classroom doors are opened. I appreciate your support on this matter.

### Message from the Principal

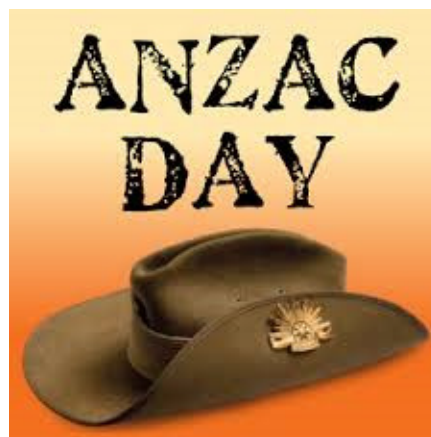

#### Term One Break

As this will be the final newsletter of the term, I wish all students and families a relaxing and enjoyable Term One break and a happy and relaxing Easter. As Monday, 20 April is a gazetted School Development Day, students will not return to school until **Tuesday, 21 April**.

### ANZAC Day Service- Friday, 24 April

ANZAC Day is a very special day on the Australian calendar. However, in the lead up to the 100th anniversary of the Gallipoli landings this year, the significance of the day is further highlighted.

As a nation, we pause to remember all Australians who served and died in all wars, conflicts, and peacekeeping operations. The spirit of ANZAC, with its human qualities of courage, mateship, and sacrifice, continues to have meaning and relevance for our sense of national identity.

## SPONSORS

As part of the 2014 Canberra Tour, our travelling group had the opportunity to visit the National War Memorial in Canberra just prior to our flight out from Canberra. It is a place of great reverence, and it was in my opinion, the highlight of the tour.

With ANZAC Day falling on the Saturday of the first week of term, the school has elected to have its ANZAC Day service on Friday, 24 April commencing at 2.30pm in the Undercover Area. The Student Councillors will host the service on behalf of the school community. It is anticipated that the commemoration will last for approximately 30 minutes.

All students are expected to wear full school uniform on the day, with the exception of scouts, guides or cubs who are encouraged to wear their group uniform. Any students who have medals or other service decorations at home that have been passed down to them are encouraged to wear them on the right hand side of their uniform on the day. Furthermore, students are encouraged to bring in flowers to place at the base of the flagpole during the service itself.

We hope to see as many families present at our ANZAC Day service as possible.

## Pre-primary playgrounds before school

I would like to remind all parents/carers, but especially those in Pre-primary, that if you and your child(ren) arrive before 8.30am there is an expectation that you make your way to the central courtyard area where all primary students and families sit, rather than wait outside the Pre-primary classrooms. Furthermore, as is the case with the main school playground, all playground equipment in the Pre-primary enclosure is 'out-of-bounds' in the morning. Please do not go into the playground area before this time or even better, arrive at school after 8.30am when the classroom doors are opened. I appreciate your support on this matter.

### Message from the Principal

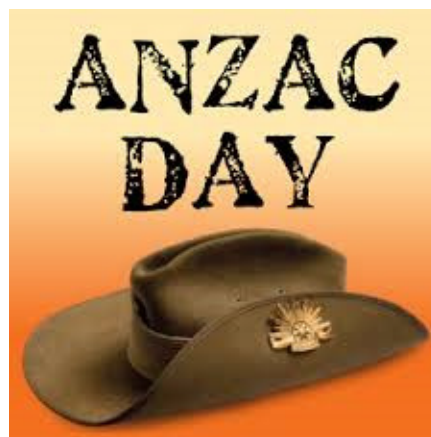

#### Term One Break

As this will be the final newsletter of the term, I wish all students and families a relaxing and enjoyable Term One break and a happy and relaxing Easter. As Monday, 20 April is a gazetted School Development Day, students will not return to school until **Tuesday, 21 April**.

### ANZAC Day Service- Friday, 24 April

ANZAC Day is a very special day on the Australian calendar. However, in the lead up to the 100th anniversary of the Gallipoli landings this year, the significance of the day is further highlighted.

As a nation, we pause to remember all Australians who served and died in all wars, conflicts, and peacekeeping operations. The spirit of ANZAC, with its human qualities of courage, mateship, and sacrifice, continues to have meaning and relevance for our sense of national identity.

#### SPONSORS

As part of the 2014 Canberra Tour, our travelling group had the opportunity to visit the National War Memorial in Canberra just prior to our flight out from Canberra. It is a place of great reverence, and it was in my opinion, the highlight of the tour.

With ANZAC Day falling on the Saturday of the first week of term, the school has elected to have its ANZAC Day service on Friday, 24 April commencing at 2.30pm in the Undercover Area. The Student Councillors will host the service on behalf of the school community. It is anticipated that the commemoration will last for approximately 30 minutes.

All students are expected to wear full school uniform on the day, with the exception of scouts, guides or cubs who are encouraged to wear their group uniform. Any students who have medals or other service decorations at home that have been passed down to them are encouraged to wear them on the right hand side of their uniform on the day. Furthermore, students are encouraged to bring in flowers to place at the base of the flagpole during the service itself.

We hope to see as many families present at our ANZAC Day service as possible.

### Pre-primary playgrounds before school

I would like to remind all parents/carers, but especially those in Pre-primary, that if you and your child(ren) arrive before 8.30am there is an expectation that you make your way to the central courtyard area where all primary students and families sit, rather than wait outside the Pre-primary classrooms. Furthermore, as is the case with the main school playground, all playground equipment in the Pre-primary enclosure is 'out-of-bounds' in the morning. Please do not go into the playground area before this time or even better, arrive at school after 8.30am when the classroom doors are opened. I appreciate your support on this matter.
