**Message from the Principal**

**Phase 3 - Operating Guidelines**

It is pleasing to see the shackles come off even further as Phase 3 Operating Guidelines came into effect this week. Our kindy and pre-primary parents/caregivers are now able to walk to the classroom door to drop off students and our Year 5 and Year 6 students are now able to engage in contact games during Friday afternoon faction sport. I will keep the school community informed of any other changes to school or P&C operations as further restrictions are lifted.

**School Board Report**

The Term 2 meeting of the School Board took place on Monday, 8 June. The School Board Chair, Mr Peter Klinger, will send out the Term 2 School Board Report via Connect sometime next week. Please take the time to read through the report to gain an understanding of the main points of discussion.

## Faction Cross Country Carnival- Friday, 19 June

As outlined in the Connect message that went home yesterday afternoon, the Year 3 - Year 6 Faction Cross Country Carnival has been postponed until Friday, 19 June. Hopefully, the forecast for next Friday will be a whole lot better than the weather we had today.

## Redkite Day

The Student Councillors would like to thank all those students and staff who came dressed in red on Wednesday in support of Redkite. \$880.00 was collected by the councillors, which is our best effort to date. This money will now be sent to the Redkite organisation to provide much needed assistance to those families living with cancer.

## Congratulations to Mrs J

As many members of our school community would know, our previous school chaplain, Mrs Eva Johnson (Mrs J), commenced Parental Leave towards the end of last term. At the end of last month, Mrs J became the proud mum to Jedaiah Joshua Johnson. Congratulations to both Mr and Mrs J.

## Chaplain's Chat

Hello! My name is Chelsea Wylde and I feel so excited and honoured to be joining

students, parents and the community.

the Maylands Peninsula PS community. I would like to thank you for already making me feel part of the team through your kind welcome.

As a school chaplain, I am here to support the wellbeing of students, staff and parents/caregivers. I provide a safe place for those who need someone to talk to, and connect people with further resources that can help them along their journey. I hold a Diploma in Counselling and am currently pursuing a Bachelor in Applied Social Science (Counselling). Please don't hesitate to contact me if you would like to chat, or if you feel your child/ren may benefit from a listening ear, some support or encouragement. There are a number of ways that students and parents/caregivers can contact me:

- In the playground during recess and lunch.
- Speaking to a teacher or other school staff.
- Leaving a message in the Chaplain's Chatter Box located on the front counter in the school library.
- Making an appointment via the school office on 9462 6700.
- Emailing me at [Chelsea.Wylde@education.wa.edu.au](mailto:Chelsea.Wylde@education.wa.edu.au)

I will endeavour to be in touch with you as soon as possible during my working days here at Maylands Peninsula PS (on Monday, Tuesday and Wednesday). In the meantime, I will look forward to seeing you around the school community!

## School Gardening

The Wednesday Gardening Groups have been working hard to keep the fast-growing weeds at bay. The seeds and seedlings that were potted in our nursery are growing nicely, and many have already been planted out into the garden. All students are learning about compost bin

maintenance and as a result our compost is looking great! We also harvested some fresh produce to take home!

## Free Conference Chairs

About 10 years ago, the Duxton Hotel donated 160 conference chairs to the school as part of their refurbishment. The chairs have served their purpose for the school, and as such, we are making them available to the school community and local residents within the Maylands and Bayswater areas. If you would like to take some of the chairs off our hands, to register your interest please contact the school office on 9462 6700 or email Megan Mohr at

[Megan.Mohr@education.wa.edu.au](mailto:Megan.Mohr@education.wa.edu.au).

## 2020 International Competitions and Assessments for Schools (ICAS)

As has been the case in previous years, students from Year 2-6 will be able to participate in the 2020 International Competitions and Assessments for Schools (ICAS) programme coordinated by the University of New South Wales. During August and September, students will be able to compete in this nationwide competition in the areas of Mathematics, English and Science.

As was the case last year, all tests will be conducted online. This means more administration for the school as laptops need to be set up and configured to ICAS requirements. Furthermore, ICAS has also

increased the cost of each assessment, bringing the total cost to \$20.00 for each assessment undertaken.

Detailed information about the 2020 ICAS programme and registration forms are now available in the office. All nominations must be returned to Mrs Johnson by the close of business on Friday, 26 June. Please be aware that there can be no late entries. Please see Mrs Johnson if you have any further questions about the ICAS programme itself.

### **Canteen News**

#### **No More Plastic Forks (REMINDER!)**

Canteen staff will no longer add a fork to meal orders. Please bring one from home and leave it in your bag. If you forget, you may come to the canteen to borrow one of ours. Don't forget to return borrowed forks and spoons! You can bring them back to the canteen or put them into your classroom lunch basket.

#### **Online Ordering**

Online ordering is working really well. Thank you for your support. We will advise you when counter service is to be reinstated.

#### **New Savoury Items**

Every Tuesday we will be cooking fresh quiches and nachos in the canteen. You can order mini quiches for \$2.50 or larger ones for \$4.00. They are filled with scrumptious ham and cheese or we have a vegetarian option of spinach and cheese.

Yummy nachos can also be ordered which have bolognese sauce, salsa and melted cheese for \$4.00. We also have a vegetarian option which replaces bolognese sauce with baked beans.

#### **Sweet treat for the last week!**

Tummy Rumbles will be offering a yummy sweet treat for recess in the last week of Term 2. Stay tuned for more information.....

### **100% Wolf**

One of our fathers in the school, Ash Greig, (Olivia-PP3), is an accomplished musical composer. He has composed musical scores for feature films, TV series, documentaries, short films and for the theatre. You may

have been exposed to his work without even knowing it.

Recently, Ash composed the musical score for an animated feature film, 100% Wolf, that was due to be released in cinemas earlier this year, with the West Australian Symphony Orchestra performing the score. However, as a consequence of COVID-19, the film's release was delayed. The production company has now elected to release the film on Video on Demand (VOD) from iTunes, MicroSoft Store, Foxtel, PlayStation Store, Fetch and Google Play.

The story of 100% Wolf centres on Freddy Lupin, heir to the leadership of a proud family line of werewolves. Positive he'll become the most fearsome werewolf ever, Freddy is in for a shock when on his 14th birthday his first "warfing" goes awry, turning him into a ferocious... poodle. Thrown a bone by the pack elders, Freddy has until the next moonrise to prove he has the heart of a wolf, or risk being cast out forever. With the help of an unlikely ally in a streetwise stray named Batty, Freddy must overcome his pink and fluffy exterior to prove he's still 100% Wolf.

There is a [trailer](#) available on the production company's site for your consideration. Even though it is a family friendly film, please be aware, that due to its themes, the film has been rated PG.

## Football West Kick It. Football

A promotional poster for the 'Kick It. Skills' program. The background is a dark blue gradient with a faint image of a soccer player in action. The text is white and yellow. At the top, 'KICK IT. SKILLS' is written in large, bold letters. Below that, a yellow headline reads 'A fun and fast way to Kick It. after school!'. The school name 'Maylands Peninsula Primary School' and 'Exclusive Program' are listed. A paragraph describes the program as an after-school-based program for all abilities focusing on four bullet points: learning new skills, game-based sessions, being active and having fun, and creating an inclusive team. A 'PROGRAM DETAILS' section lists location, time, dates, cost, and age suitability. At the bottom, there is a registration link and a safety notice.
