MESSAGE FROM THE PRINCIPAL

NAIDOC Week

Even though official **NAIDOC** Week events took place during the Term 2 break, our school elected to acknowledge its significance during the beginning weeks of this term. Some of our students have been sharing and writing Dreamtime stories, undertaking art projects, and learning more about Aboriginal and Torres Strait culture and language. Next week, students will commence work on the native garden that will be installed outside JA Block.

I look forward to seeing this area come to life over the next week or so.

Thank you

At last week's assembly, Mr Alex Pereira from the Training Alliance Group presented a cheque to the school in the amount of \$3000.00, which was used to purchase new boxes, games, and puzzles for our SMART Awards that are handed out each assembly, as too, some of the new tarpaulins that have been purchased by Miss Wyatt for use during our cross country and faction athletics carnivals.

I would also like to acknowledge the on-going support of our corporate supporters- **Perth Realty** (*Academic Excellence Award*), **Bosch Timber Floors** (*Writer of the Month*), and **Scitech** (*Science Excellence Award*) who also provide support to the school.

Furthermore, I would also like to acknowledge those families within our school who also provide cash donations, but who prefer to remain anonymous. On behalf of our school community, I would like to thank each of these companies and those individuals (you know who you are).

Your support is greatly appreciated.

S7 Assembly

Thank you to the wonderful students in Mrs McGuire's S7 class for hosting the first assembly of term. The 'Rage' themed assembly that showcased the contributions that Aboriginal and Torres Strait Islanders have made to the contemporary arts was very well received by all in attendance. What a great way to start the term.

Our next assembly will feature the **Year 5 students** in **Ms Sloan's/Mr Davey's S8** class. At this assembly, we will present the next round of 'Aussie of the Month' awards for 2021.

Maylands Multicultural Playgroup

At Maylands Peninsula Primary School, we are reducing the barriers to early childhood education and care through 'a soft-entry point' – the Maylands Multicultural Playgroup. The **Maylands Multicultural Playgroup** is a high quality supported playgroup, offered free of charge to multicultural families, with children up to 4 years old.

The playgroup is facilitated by educators, Mrs Vimini and Mrs Rai who use the Early Years Learning Framework; child development norms, and the [Abecedarian Approach Australia \(3a\)](#) to plan the playgroup in partnership with families. Their aim is to build on the children's social/emotional, language, and cognitive development through:

- games (that are based on child-development norms and are underpinned by pre-literacy and numeracy skills);
- open-ended activities that support oral language development;
- shared stories;
- intentionally adding 'educational' content to routines, such as changing nappies, washing hands, and eating and packing away.

Families are encouraged to use their home language with their child, ensuring children's continued development and learning, family connections, and strength of culture. The **Maylands Multicultural Playgroup** will be in operation over the next two and a half years as part of a trial programme initiated by the Department of Education.

Jeans 4 Genes Day

It was pleasing to see so many students and staff wearing their jeans to school today in support of 'Jeans 4 Genes Day'.

All up, the Student Councillors collected \$755.60.

This money will be sent to the Children's Medical Research Institute to help fund research to advance the prevention and treatment of genetic diseases.

Thanks to all for your support.

Please see our [website](#) for the forms and the application process.

Cash for Containers

Thanks to all those members of the school community who have been regularly filling the 'Cash for Containers' bin behind JB Block.

Thanks for your continued support and keep on bringing in those containers!

 **ELIGIBLE CONTAINERS**

Reptiles Incursion

Students from Kindy to Year 4- including the Year 5s in S6, had the opportunity to get up close and personal with a variety of scaly creatures during the week. Lisa from Perth Reptile Company brought in a variety of snakes and lizards for the students to see and hold

and discussed the important role reptiles play in the ecosystem.

Garden Update

Makuru with its cooler weather and high rainfall is a good time to sow and plant and that's exactly what the students in the gardening groups have been doing with volunteers Belinda Scott, Jacqui Bahr and Pru McBride. The weeds are thriving too, so a big part of the work is to pull them out so that the vegetables can access the nutrients in the soil and have space to grow. The students have also cultivated seedlings and cuttings in the nursery which will be for sale later this term- Ms Wormuth.

100 Days of School

We all know teaching has the capacity to 'age' individuals quite quickly, and this was certainly the case with our Year 1 teachers last Friday when they all turned up to school looking quite frail and elderly. However, this was all just part of the fun as the Year 1

students celebrated the 100th day of school. The Year 1 classes engaged in all sorts of fun activities and games that revolved around the number 100 in some way. A good time was had by all.

Running Club

Congratulations to Mitchell Borman (Hardey)- our first Year 3 student, Ava Tompkin (Brearley) and Abby Ridley (Ferguson) for being the latest inductees to the 100km Club. Well done.

Book Week

This year's CBCA Book Week **will be held on the 21-27 August** with the theme of *Old Worlds, New Worlds, Other Worlds*.

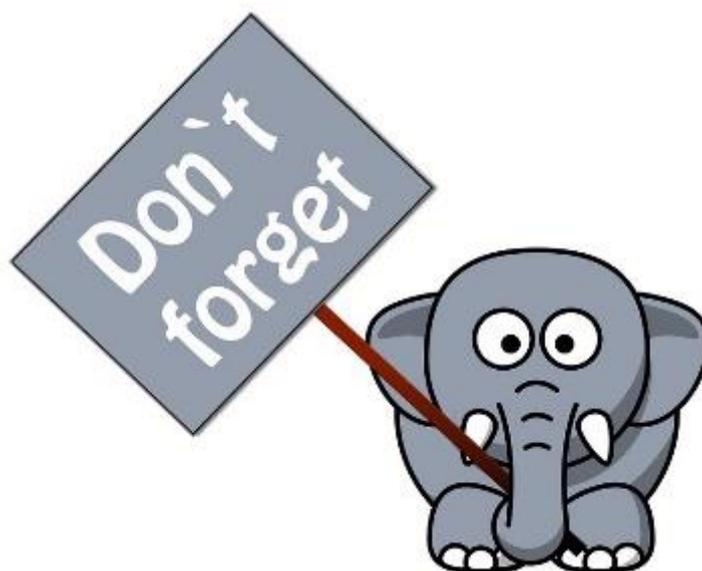

To celebrate **Children's Book Week**, we are holding

our **Whole School Dress-Up Day** on **Thursday, 26 August, 2021 (Week 6)** for all students and staff from Pre-primary to Year 6.
