PRIMARY SCHOOL

Issue No. 06 | **23 April 2021**

## Message from the Principal

### **Welcome Back**

I hope everyone had an enjoyable term break and took up the opportunity to enjoy the lovely Autumn weather we have had of late. As usual, our Term 2 School Planner is looking rather busy with events including NAPLAN testing, Year 4-6 Swimming Carnival, Edu Dance and the associated Performing Arts evening, Love Your Sister, Lapathon, Go Red for Redkite Day and Semester 1 reports all scheduled to take place. The Term 2 School Planner is now available on the school website. All the key dates/activities that are already known to the school have been included. Please keep a copy on the fridge and add in any extra dates that are made known to you throughout the term. Remember that Monday is the ANZAC Day public holiday, so we will see students on Tuesday 27 April.

## **2021 NAPLAN Assessment Programme 11-21 May**

The 2021 National Assessment Programme – Literacy and Numeracy (NAPLAN) takes place in Week 4 and 5 of term. The first assessment takes place on Tuesday, 11 May and concludes on Friday, 21 May for students in Year 3 and 5 in the areas of Writing, Reading, Language Conventions (spelling, punctuation and grammar) and Numeracy.

In 2019, all schools in WA completed NAPLAN in an on-line environment for the first time. However, in 2020, NAPLAN was cancelled due to the impacts of COVID-19. In 2021, there is a two-week window for schools to complete NAPLAN. Next Tuesday, 27 April, parents/caregivers of students in Year 3 and Year 5 will receive, via Connect, a timetable from Mrs Alver regarding when each assessment will be taking place with each class.

In the lead up to NAPLAN, staff working with our Year 3 and Year 5 students will be undertaking some practice assessments in order to familiarise students with how the tests present, how to operate the functions of the laptop devices we will be using etc.

NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in numeracy and literacy skills against national standards for all Australian children. An individual student NAPLAN report will be issued by the school later this year. Parents/caregivers can use this information to monitor how their child is progressing and to identify any areas of concern.

Parents/caregivers may also wish to use their child's results to discuss progress with teachers.

Please visit [www.nap.edu.au](http://www.nap.edu.au) for more information about NAPLAN in general. Furthermore, if parents/caregivers wish to have a look at how the NAPLAN assessments presents, a public demonstration website is available at <https://www.nap.edu.au/online-assessment/public-demonstration-site>

# SafeRoutes

## **Safe Routes to School- Parent Information Meeting- Wednesday, 28 April**

In early 2020, the City of Bayswater Council voted in favour of our school being a pilot school for the *Safe Routes to School* initiative, which aims to map the major pedestrian/cycle routes in our local intake area and identify needed improvements to the existing infrastructure that will make those routes safer, e.g. better pedestrian crossings, upgraded footpaths, new pram ramps etc.

In partnership with the Department of Transport, the City of Bayswater have moved to the community engagement phase of the initiative. As such, a Parent Information session will be held on Wednesday, 28 April in the school library at 6.00pm just prior to the P&C Annual General Meeting. It is anticipated that the session will go for approximately 20-25min.

## **Edu Dance**

It is pleasing to see the children enjoying the Edu Dance classes that started earlier this week, which will culminate in the Year 1- 6 Performing Arts evenings later in the term. Like many things in 2020, we were not able to undertake Edu Dance due to the impacts of COVID-19.

In years past, the Performing Arts evenings have been the highlight of the school calendar with many parents/caregivers, grandparents, siblings and other family members attending the performance to watch the students perform. In 2021, we will be running with a similar format as previous years, splitting the performance over two nights at the Morley Sport and

Recreation Centre. The two dates we have booked are **Wednesday, 16 June and Thursday, 17 June (Week 9)**. In respects to our Pre-primary students, their Edu Dance performance will take place after school on **Tuesday, 15 June**.

I would like to remind parents/caregivers that any child who has not paid for Edu Dance, or not entered into a payment plan with the school, will not be able to participate. Please see Mrs Reddish in the school office if you would like further information or clarification.

### **5 cent Friday- Friday, 7 May**

A reminder that our first Student Councillor fundraiser for the term will be 5 cent Friday. 5 cent Fridays are an initiative of the *Love Your Sister* organisation, which was co-founded by the actor Samuel Johnson and his sister, Constance. Over the last eight years, the *Love Your Sister* organisation has donated over 13 million dollars to fund research projects into vanquishing all types of cancers.

On Friday, 7 May (Week 3), students will be asked to bring in as many 5c pieces as they can. The Student Councillors will then use the collected coins to create a big heart somewhere in our school.

Keep saving your 5 cent pieces in a small jar ready for two weeks' time.

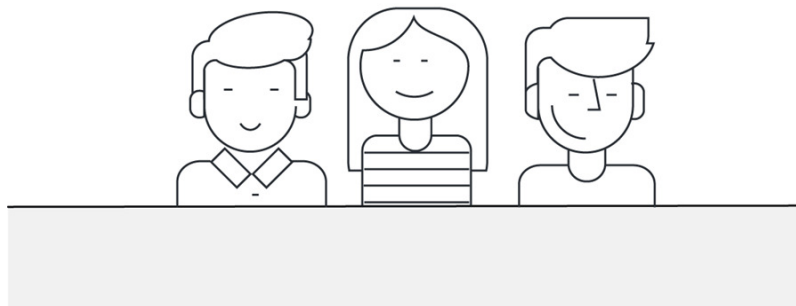

## Assembly

### M3 Assembly

Our first assembly of term will take place on Friday, 30 April and feature Ms Bonetti's/Mrs Lake's M3 class. At this assembly, we will hand out the next round of Excellence and 'Aussie of the Month' awards. I look forward to seeing many members of our school community out in support; remembering to keep 1.5m apart.

## FEATURE STORY

### Year 4-6 Swimming Carnival

We had a superb day for our Year 4-6 Swimming Carnival at Bayswater Waves this morning. Congratulations to all our students who enjoyed the opportunity to participate in this much anticipated event. Thanks to the many parents/caregivers who came along in support. I would also like to thank Ms Wyatt for making the arrangements for the carnival as everything went off without a hitch. The final scores were: **1st- Venville- 1076 points, 2nd- Brearley- 964 points, 3rd- Hardey- 896 points and 4th- Ferguson- 704 points.** This is the sixth year in succession that Venville has won the shield. General Meeting – Wednesday, 28 April**

The P&C's Annual General Meeting will be taking place on Wednesday, 28 April at 6.30pm in the school library.

Everyone is encouraged and welcome to attend. The more volunteers and support the P&C receives, the better we can assist the school in supporting our kids!
